Hi Jill,

Thanks for the update. We would like to discuss how the May 2021 "Alternative Remediation Standards Technical Guidance for Soil for the Ingestion-Dermal and Inhalation Exposure Pathways" affect Rolling Knolls.

Please send me your availability for the next few weeks so we can discuss. I'm hoping we can talk soon as this is critical to moving the FS forward.

Thanks,
Rupika

Hi Rupika. I'm having some difficulty lining up the schedules of the people I would need on this conference call. As a result, we won't be able to participate in a call this week. But just to verify, this relates to the Impact to Ground Water ARSs, correct?

Sure, we will have the following folks on the call:

Angela Carpenter, Special Projects Branch Chief
Stephanie Vaughn, Mega Projects Section Chief
Michael Sivak, former RK Risk Assessor and current Passaic/Hackensack Branch Chief
(and myself of course, RPM).

Thanks,
Rupika

Hi Rupika. Let me check schedules. I can't remember the name of your branch chief. If you could provide the names and titles of who all will be on the call, that will help me in determining how far up the chain of command I need to go on this end. Thanks!

Subject: [EXTERNAL] Meeting to Discuss ARS Guidance

Hi Jill,

EPA would like to set up a meeting to discuss the impact of the updated ARS guidance on Rolling Knolls. Here is our availability for week of 4/4:

- 4/4: 11-1pm, 2-3pm, 4-5pm

- 4/5: 4-5pm
- 4/6 3-5pm
- 4/7: 12-1pm

As an FYI, our branch chief will be attending as well. Let me know what works best for NJDEP.

Thanks!

Sincerely,

Rupika Ketu
